SECURITY SYSTEM UPDATE

Thank-you very much for your continued donations towards our parish security system, now totaling \$15,543.00. We are in the process of applying for a grant which will reduce the cost by 50%. We'll keep you posted on what becomes of this.

PROMISE KEEPING

The first reading from the Book of Exodus describes the promises that Moses and the Israelites made to be faithful to God's commandments. "They said, 'All that the Lord has spoken we will do, and we will be obedient'" (Ex 24:7). Similarly, the disciples at the Last Supper pledge their support for Jesus in the symbolic gesture of all drinking from the cup. "Then he took a cup, and after giving thanks he gave it to them, and all of them drank from it" (Mk 14:23). We know that these promises, though well-intentioned, were not carried out faithfully. Much of the story of the people of Israel is the story of infidelity to the God who saved them from captivity in Egypt. The story of the disciples is one of failure in betrayal, denial, and desertion.

Yet, God continues to meet the people of Israel, and Jesus' disciples, with forgiveness and the possibility of new life in the midst of their broken promises of infidelity. Every time that human beings opt away from God and God's ways, God opens for them the possibility of new life in the midst of circumstances that seem unworthy of such grace. But this is what God does again and again for those whom God created and calls out of love. **"For God so loved the world that He gave His only Son, so that everyone who believes in Him might not perish but might have eternal life"** (Jn 3:16). As the Letter to the Hebrews puts it: "For this reason Christ is the mediator of a new covenant, so that those who are called may receive the promised eternal inheritance, because a death has occurred that redeems them from the transgressions under the first covenant" (Heb 9:15).

This campaign will involve each of our Parishes. The proposed goals focus centrally on Parish life, but will also help enhance several Diocesan ministries important to parishioners. The Diocese wants to hear from as many parishioners as possible as they evaluate their proposed campaign plan. Your feedback will be critical to the success of this effort. Further details of the proposed goals of the campaign and opportunities for you to give feedback will be shared in the coming weeks.
