FEAST OF THE SACRED HEART OF JESUS

On Friday, June 8 we will celebrate the Feast of the Sacred Heart of Jesus with Mass at 9:15 a.m. with our school children. Everyone is welcome.

SOLEMNITY OF THE MOST HOLY TRINITY

As a Catholic Christian, we have always believed in the Holy Trinity: that there is ONE GOD revealed in THREE PERSONS, God the Father, God the Son and God the Holy Spirit. We proclaim this each time we make the Sign of the Cross. It enters into the closing part of many of our common prayers. We hear the Trinity being referred to constantly during the Eucharist. We are blessed in the name “of the Father, and of the Son, and of the Holy Spirit”.

Just as we have unique relationships with each member of our family – father, mother, and sibling(s) – so too our relationship with the Father is unique from that of the Son, which is unique from that of the Holy Spirit, which is unique from that of the Father.

Throughout history, the Holy Trinity has been depicted in art in various ways. One of the most ancient is the triangle of three equal sides. St. Patrick, in his evangelization of the Irish, used a shamrock, with its three leaves forming one leaf. Many years ago I came

across a children’s book that spoke of the Trinity in terms of an apple – **the peel** representing the Father. It is the most obvious part of the apple, just as God the Father has revealed Himself through the creation all around us. **The peel** is also the protector of the other parts of the apple. **The flesh** of the apple represents the Son, as the “Word became flesh and dwelt among us”. Jesus took on our humanity, our flesh and bones, yet remained one with the Father, in his divinity. **The seeds** represent the Holy Spirit, the source of new life. They contain the new beginning of life, as through the Holy Spirit we are enriched by our sharing in the life of God.
