**Note:** Registration is limited, so please sign up early. A video recording will be available later on the CLC website.

Concerned Lay Catholics is an independent group of concerned committed lay Catholics formed in Canada to affirm the laity's role of co-responsibility in the Church.

In the wake of the clergy sexual abuse crisis, we believe the only path to restoring trust and promoting healing is for lay people to become educated, engaged and empowered. Please visit our website that is being launched with this event:
